“When two are born together, one will die by the other’s hand...”

This is the Dragon’s Curse that has plagued the Killdarens for generations and continues on in this tale set on the Cornish Coast of 1879 England. Sean and Alex thought they’d escaped the Dragon’s curse until in a rage of suspicion and accusation the twins come close to killing each other the night the woman they both loved was murdered. Eight years later, the only thing they agree on is to remain unwed and childless, to never pass on the Dragon’s Curse. Then another woman disappears. This time from Sean Killdaren’s castle and his reclusive world is shattered when Cassie Andrews, a journalist, goes undercover as a downstairs maid. He can no more ignore her than he can ignore the murderer hiding behind the secrets of Killdaren Castle’s stone walls.

The Shadowmen Series begins

Among the principalities of the spirit world lies a band of warriors, the elite Blood Hunters of the Shadowmen of Shaddai who protect the Chosen from the evil that hungers for their blood. In an age where technology rules mind and men these werewolves wield a greater power, timeless and magical. But when Jared Hunter becomes infected from the Fallen while protecting Erin Morgan, he becomes fated to walk with the fallen and feed upon the blood of the woman he was sworn to protect. Will he find the saving power of love before it’s too late? Or will his base desires for blood destroy him and Erin both?
